*"School days, school days, dear old golden rule days,
Reading and 'riting and 'rithmetic,
Taught to the tune of a hickory stick.
You were my queen in calico,
I was your barefoot, bashful beau.
You wrote on my slate, I love you so,
When we were a couple of kids."*

FACULTY

Mr. J. L. Purdy

The Principal's Message

The value of memories cannot be easily measured. Yet, in future years you will be impelled to place a high value upon memories of your high school days. Your associations with teachers and fellow students, the friends you have made, the tangible and intangible benefits gained from sports and other activities should never be forgotten. The written record of those experiences for the year 1948-49 is compiled within the pages of this book making it something to value highly, now and in the future.

Think also of the record for next year and for other years to come. What are your contributions which will make the 'Treasure Chest of your memories outstanding in the history of John R. Rogers High School?

Mr. Paul MacGown, vice principal of John R. Rogers High School, is a friend and counselor of not only the boys but all students. His duties include attendance, registration, and general counseling. He works actively with the student council and all student activities.

Mrs. LaVelle Black, girls' adviser, works in close cooperation with Mr. MacGown on the guidance program and is a friend and counselor to all the girls in school. She is faculty adviser to the Girls' League.

Mr. Dale Clark, boys' adviser, works with the Boys' Federation and forms the third member of the counseling staff.

Home room representatives are a very important part of our Rogers Girls' League. They are the connecting link between the girls in their home room and the central council of the Girls' League. The representatives find out what is going on from the notices put in their boxes in Mrs. Black's office by the vice president of the Girls' League. Then they go back to their home room and report on the events which have occurred. At the next meeting they take back the comments of their home rooms. Every girl in the school is a member of the Girls' League.

Boys' Federation

The Boys' Federation of John R. Rogers High School is composed of all the boys in the school. Working closely with the boys have been Mr. Paul MacGown, vice principal and Mr. E. B. Chrisman. Mr. Chrisman stepped into the work as adviser to the Boys' Federation upon the illness of Mr. Dale Clark, boys' adviser for the school.

The Boys' Federation meets once a month for a business meeting and to enjoy a program of speakers and entertainment. The promotion of athletics has been one of the projects undertaken by the group.

Each home room of boys elects a representative to the Boys' Federation and much of the work of the organization is carried on by this representative body.
